KIDS 4-7 | UNSCRIPTED SERIES

Seeing the magic
in the everyday

39 x 21' OR 117 x 7'

A global kids' travel series hosted by eight dynamic sibling duos, ages 6-8. Each pair shares their globetrotting adventures through journaling, drawing, painting, and on-location chatter. From walking the Great Wall of China to learning a Ukrainian folk dance in Kiev, our young hosts take the audience with them. Each set of siblings brings a unique dynamic to their adventures but some things stay the same — amazing experiences and spectacular sights. Produced in partnership with National Geographic.
