GIVER is an award winning design series that engages children to get involved and invested in their local communities by building playgrounds.

GIVER features playground makeovers with 6-12 year old teams working together with their communities to build and improve local playgrounds. Each team must decide on a new theme for their playground, choose equipment to keep and what to scrap. On top of all that, they've only got 3 days to do it! Our energetic host Michael provides a steady hand and plenty of enthusiasm as the team digs in, drilling, cutting and painting to create a fun new playground for the whole community to enjoy.
